```

The diagram illustrates the family structure of several individuals, organized into four main horizontal sections. Each section represents a different family or group, with individuals connected by lines indicating relationships. The top section shows ZEYNEP ADA ER (KST) and BETÜL NEBHAN (KST) as parents of NESLİHAN SARI (ZNG) and ECRİN ÇAKIR (SNP). The second section shows AYLİN BODUR (DNZ) and FEVZİYE YAPICIOĞLU (DNZ) as parents of ZEKİYE SERÇE ÇEPER (ESK) and FATMA SARIÇERÇİ ŞAHİN (ESK). The third section shows DİLEM AKTAŞ (DNZ) and MELTEM AYDIN (DNZ) as parents of ELVAN OKTAY (ZNG) and KÜBRA YURDAKUL (Krk). The bottom section shows ESMA BİÇER (SNP) and EZGİ ZEYNEP ÖZCAN (SNP) as parents of EMİNE KAHRAMAN (Krk) and İREM ACAR (ZNG). The diagram uses boxes to represent individuals and lines to represent family relationships. Some individuals are marked with numbers in small boxes, indicating their position in the family hierarchy. The diagram is color-coded with various shades of blue, green, and yellow to distinguish between different family groups.
